

Dear NDA members:

**You are invited to attend a PPW Kickoff Party!**

The Public Policy Workshop will once again be offered via the web. This is a great opportunity for members of ADA to learn more about public policy without having to travel to Washington, D.C. All NDA members are invited to attend the PPW Kickoff Parties. However, if you are planning to visit our U.S. Senators and/or your U.S. Representative on behalf of ADA, you need to make every effort to attend one of these parties, and then participate in subsequent educational webinars.

**Public Policy Workshop Kickoff parties will be held in three locations across Nebraska on March 22 from 3:00 to 6:30 Central Time or 2:00 to 5:00 PM Mountain Time:**

Educational webinars will be presented on an a-la-carte basis in the weeks following the PPW Kickoff detailing advocacy and public policy information for ADA members. Two webinars per week will be presented for at least three weeks. The exact dates and times of these webinars will be announced at a later date. CPEUs (1.5) will be available for each Webinar.

If you have any questions or comments, please feel free to contact me.
